Newsletter #19 – May 2020

News

- **8th Warren Workshop canceled**

We have the regret to cancel the 8th Warren Workshop on recent advances in glycoconjugate analysis and bioinformatics due to the COVID19 pandemic. It is postponed to June 2021. [More information](#)

- **Lectin Purification and Analysis**

Congratulations to our colleagues who contributed to the book “Lectin Purification and Analysis” [More information](#)

Save the dates

Due to COVID19 pandemic, most of the events have been postponed or cancelled. On the opposite, several international conferences are now virtual and free to register

- June 17 to 18, 2020 – **Virtual Structural Glycoscience Summer School** [More information](#)
- June 21 to 23, 2020 – **12th International Symposium on Glycosyltransferases** [More information](#)
- June 25, 2020 – **Canadian Glycomics Virtual Poster Session** [More information](#)
- July 7, 2020 – **E-Symposium of Plant Lipid** [More information](#)
