

Objet : Grants for guest researchers who intend to stay in Grenoble for 2 months. The researcher should have a work contract at his/her home institution that includes full salary and health insurance during the stay in France.

Conditions

- The accommodation will be supported by Glyco@Alps, if possible in a University scientist residence in Grenoble
- Travel cost lower than 1000 € will be supported by Glyco@Alps (economy class)
- We will also provide 30 € / day for the guest researchers expenses
- Duration of stay: 2 months
- Beginning of stay: 1st of the month
- Arrival between May 1st and October 1st, 2019
- A conference during the stay (Glyco@Seminar) will be appreciated

Application

- Send a CV, a one page project and an invitation letter from the hosting Glyco@Alps laboratory (with some scientific justification and with her/his planned dates of stay) to contact@glycoalps.fr

Schedule

- Results from February 15th 2019
- Arrival between May 1st and October 1st
