News #2 – 20 July 2017

News

- **Glyco@Alps recognised at Eurocarb**
From 2 to 6 July 2017, the glycoscience community gathered in Barcelona for the 19th Eurocarb with a strong representation of Glyco@Alps. [Read more.](#)
- **Glycojobs at the top in Nature!**
An article published in Nature on July 6th, 2017 (Vol. 547, p. 127), explains the potential of the field and how many scientists find career opportunities studying glycans. [Read more.](#)

Save the dates

- September 5th, 2017 – **Scientific Day PCI organised by the platform « Caractérisation des Interactions » of the Institut de Chimie Moléculaire de Grenoble.** [Read more and register.](#)
- September 7th, 2017 - **Glyco@Alps morning event on glycoscience and infection, invited speaker Jacques Le Pendu** from Inserm Nantes, title to be announced.
- November 14th, 2017 - Save the date! **Des glycosciences à l'innovation : barrières et leviers, a Glyco@Alps conference.** [Read more and register \(from September\).](#)

Past events

- June 6th, 2017 – **Second Glyco Morning Event with Christoph Rademacher.** [Read more.](#)
- June 12th, 2017 - **IBS seminar, Dr Tabea Dieker (Uppsala University, Sweden): worms on sugar how glycosaminoglycans shape C. elegans development.** [Read more.](#)
- June 22nd, 2017 – **DCM seminar, Pr. Arnaud Tatibouet (ICOA Université d'Orléans): pour un chimiste, y-a-t-il quelque chose de bon dans les choux - glucosinolates, from nature to some sulfur chemistry in carbohydrates.** [Read more.](#)

Job opportunities

- **PhD thesis: Biomimetic Photonic Cellulose Films**, application deadline July 15th, 2017. [See online.](#)
- **PhD thesis: Deciphering the recognition of lectins by glycan motifs of Lipopolysaccharides by Nuclear Magnetic Resonance**, application deadline September 31st, 2017. [See online.](#)

Calls for projets

- **Upcoming calls for tickets and conferences in autumn 2017. More information to come.**
- **Possibilities for international co-financed thesis will be announced in September 2017.**
