- The call for co-financed thesis is open. Deadline April 9. [More information](#)

News

External events

The website has a new page "[external events](#)". As you already know, all the events organized by Glyco@Alps are on the "[news and events](#)" page. You are now aware of all the events linked to glycoscience on the "[external events](#)" page. If you want to put an event on it, please [contact us](#).

Feedback of the bilateral international meeting in Potsdam

On December 8, a Glyco@Alps delegation visited the Max Planck Institute of Colloids and Interface in Potsdam. [More information](#)

Glyco@Alps scientific day

The first "Glyco@Alps scientific day" will take place on March 29. There will be talks about various scientific topics. Participants are invited to present their research with a demonstration or a poster. The 3 best posters will be awarded! Don't forget to register. [More information](#)

Glyco@Club days

A Glyco@Club committee is organizing the "Glyco@Club days" which will take place in the Station Alpine of Lautaret on April 23 and 24. It is restricted to PhD students and young researchers working in the glycosciences field. [More information](#)

Structural Glycoscience Summer School

The 2018 edition of the Structural Glycoscience Summer School will be held from 2nd to 4th of July at IBS on EPN campus and at CERMAV on UGA campus. The Summer School is co-organized by the Glyco@Alps CDP project from Idex UGA and the EEC network PhD4GlycoDrug. Register until April 20th. [More information](#)

Job offers

Check the "[job offers](#)" section to discover PhD and Post-doc opportunities.
