Newsletter #4 – 29 November 2017

News

■ Innovation in glycosciences symposium

More than 100 persons attended to the [symposium](#). We were pleased to welcome researchers and more than 10 companies and innovation centers. Read [the article](#) about this event on the Comue website.

■ Bilateral meeting for international collaborations

On December 8, a Glyco@Alps delegation will visit the Max Planck Institute of Colloids and Interface in Potsdam. The next destination will be Trondheim on April. If you are interested in participating, please send an email to contact@glycoalps.fr.
